PRAYER FOR GENEROSITY by ST. IGNATIUS

Lord, teach me to be generous. Teach me to serve you as you deserve. To give and not to count the cost, To fight and not to heed the wounds, To toil and not to seek for rest, To labor and not to seek reward, Save that of knowing that I do your will. AMEN

From the Pastor

Dear Members of Most Holy Trinity,

This weekend we honor two members of our staff with the same name and same call to serve. Deacon Vicente Pérez and spouse Raquel have served the MHT community for forty years in the ministry of service as our deacon. With great thanks all are invited after our 11 AM Mass to the Trinity Center for a celebration.

The other Vincent, ordained only last year, has enriched our community and now returns to Canada to finish his degree. We say goodbye, but hopefully, for only awhile. Hurry back, Fr. Vincent!

With Fr. Vincent moving on, we go from a priest staff of four full time priests to three. And in the event you haven't noticed, we are also one year older! In discussions with my pastoral staff, I have found it necessary to change the status of the 6 PM Saturday evening Mass effective Saturday, 19 September. Because of low attendance, the community has struggled for some time now to supply sufficient ministers for the weekly Mass. Also, the Diocese has asked us to review our schedule of Masses and, when possible, eliminate or combine those Masses which are less than 50% full. Beginning on 19 September, the Saturday 6 PM Mass will be celebrated in Spanish with the readings projected in English as well as a brief summary of the homily in English.

I know that this will come as a disappointment to those who are regulars to the 6 PM Saturday Mass but I do believe a change is necessary at this time. The 7:30 PM Spanish Mass will be removed from the Saturday schedule.

Fr. Bob

Notas del Parroco

Estimados Feligreses de Santísima Trinidad,

Este fin de semana honramos a dos miembros de nuestro equipo pastoral con el mismo nombre y el mismo llamado a servir. El Diacono Vicente Pérez y su esposa Raquel han servido a la comunidad de Santísima Trinidad por cuarenta años en este ministerio de server como nuestro diacono. Con mucho agradecimiento todos están invitados después de nuestra Misa de las 11 AM a pasar al Centro Trinidad para un festejo.

Y el otro Vicente, ordenado el año pasado, ha enriquecido a nuestra comunidad y ahora regresa a Canadá para terminar su maestría. Lo despedimos, pero esperemos que sea por poco tiempo solamente. Apúrate a regresar, P. Vicente!

Con el Padre Vicente moviéndose, vamos de un personal de cuatro sacerdotes de tiempo completo a tres. Y por si no lo ha notado, estamos un año más viejos! En conversaciones con mi equipo pastoral, he encontrado necesario cambiar el estado de la Misa de 6 PM del sábado, el cambio será efectivo el día 19 de Septiembre. Porque la asistencia ha sido baja, la comunidad ha luchado desde hace un tiempo ya para poder proveer ministros para la Misa semanal. También la Diócesis nos ha pedido que revisemos nuestro horario de Misas y cuando sea posible, eliminar o combinar esas que estén a menos de un 50% de su capacidad. Comenzado el 19 de Septiembre la Misa del Sábado a las 6 PM será celebrada en Español con las lecturas proyectadas en Ingles y también un resumen de la homilía en Ingles.

Yo sé que esto será como una decepción para aquellos que asisten regularmente a la Misa de 6 PM los sábados pero creo que un cambio es necesario en este momento. La Misa de 7:30 PM en Español será removida del horario del Sábado.

P. Roberto

Health Ministry

Send Your Children Back to School Protected from Serious Diseases

Back-to-school season is here. It's time for parents to gather school supplies and back packs. It's also the perfect time to make sure your children are up to date on their vaccines.

Getting children all of the vaccines recommended by CDC's immunization schedule is one of the most important things parents can do to ensure a healthy future for their child, if you haven't done so already, now is the time to check with your doctor to find out what vaccines your child needs.

Vaccines protect against a number of serious and potentially life-threatening diseases.

When children are not vaccinated, they are at increased risk for diseases and can also spread diseases to others in their classrooms and community – including babies who are too young to be fully vaccinated, and people with weakened immune systems due to cancer or other health conditions.

Talk to your child's doctor to find out which vaccines are recommended for them before going back to school.

Envíe a sus hijos a la escuela protegido de enfermedades graves

Es el tiempo de regresar a la escuela, y preparar mochilas. Es también el momento perfecto para asegurarse de que sus hijos están al corriente en sus vacunas.

Una de las cosas más importantes que los padres pueden hacer es asegurar un futuro saludable para sus hijos, si no lo ha hecho ya, ahora es el momento de consultar con su médico para averiguar qué vacunas necesita su hijo.

Las vacunas protegen contra una serie de enfermedades graves y potencialmente mortales.

Cuando los niños no están vacunados, están en mayor riesgo de enfermedades y también pueden transmitir enfermedades a los demás en la escuela y en la comunidad - incluyendo bebés que son demasiado jóvenes para estar completamente vacunados, y las personas con sistemas inmunitarios debilitados debido al cáncer u otras condiciones de salud .

Hable con el médico de su hijo para saber qué vacunas se recomiendan para ellos antes de regresar a la escuela.
